I refer to the applicant's response to your initial observations of 13/05/2016.

Please let me have your updated nature conservation observations as soon as possible.

Regards
Pat

Jimmy/DAU,

Please find attached a soft copy of the MI's responses to your recent observations.

Please let me have your updated observations as soon as possible, as the public consultation period ends on 17/06/2016, and we wish to progress the case as quickly as possible to MLVC Assessment with a view to making an early submission to the Minister.

Regards
Pat
