BUILDING CONTROL (AMENDMENT) REGULATIONS 2009

(Prn. A9/1260)
S.I. No. 351 of 2009

BUILDING CONTROL (AMENDMENT) REGULATIONS 2009

Citation.
1. (1) These Regulations may be cited as the Building Control (Amendment) Regulations 2009.

(2) These Regulations, the Building Control Regulations 1997 (S.I. No. 496 of 1997), the Building Control (Amendment) Regulations 2000 (S.I. No. 10 of 2000), the Building Control (Amendment) Regulations 2004 (S.I. No. 85 of 2004) may be construed as one and cited together as the Building Control Regulations 1997 to 2009.

Commencement.
2. These Regulations shall come into effect on 1 October 2009 except for the provisions of Article 8 which shall come into effect on 1 January 2010.

Application.
3. Article 3 of the Principal Regulations is amended by inserting the following after paragraph (4):—

“(5) (a) Parts IIIA and Parts IIIB, subject to the provisions of those Parts, apply to works or a building as regards which a material change of use takes place, where the works commence or the material change of use takes place on or after the date those Parts come into effect.

(b) Subparagraph (a) does not apply to Article 20C.”.

Interpretation.
4. (1) In these Regulations, any reference to a Schedule, Part or Article, which is not otherwise identified is a reference to a Schedule, Part or Article of these Regulations.

5. The Principal Regulations are amended by inserting the following after article 8:

“8A A commencement notice under article 8 shall not be required in respect of works or a building in respect of which a 7 day notice is required under article 20A(1).”.

Amendment of Article 12 of the Principal Regulations.
6. (1) Article 12 of the Principal Regulations is amended—

(a) by substituting the following for paragraph (1):

“(1) Subject to paragraph (3), a fire safety certificate shall be required in respect of all works or buildings to which this Part applies.” and

(b) by inserting the following after paragraph (2):

“(3) Paragraphs 1 and 2 shall not apply where a 7 day notice has been submitted to the relevant building control authority pursuant to Article 20A.”.

Insertion of Part IIIA to the Principal Regulations.
7. The Principal Regulations are amended by inserting the following after article 20:

“PART IIIA — 7 DAY NOTICE, REVISED FIRE SAFETY CERTIFICATE, REGULARISATION CERTIFICATE, STATUTORY DECLARATION AND 7 DAY NOTICE STATUTORY DECLARATION.

7 Day Notice.
20A (1) (a) A 7 day notice shall be submitted to a building control authority in respect of:

(i) all works or buildings to which Part III applies, pursuant to Article 11(1) of these Regulations, and

(ii) where it is proposed to commence work before grant of the relevant fire safety certificate.

(b) A 7 day notice referred to in paragraph (a) shall be submitted not less than 7 days in advance of commencement of work.
(2) A 7 day notice shall be—

(a) in the form specified for that purpose in the Third Schedule, and

(b) shall be accompanied by—

(i) a valid application for a fire safety certificate from the applicant in the form specified for that purpose in the Third Schedule and accompanied by such plans and particulars as required under paragraphs (a) and (b) of article 13(2),

(ii) a 7 day notice statutory declaration in the form specified for that purpose in the Third Schedule, and

(iii) such fee as may from time to time be prescribed for that purpose in Part V.

(3) (a) On receipt of a 7 day notice, a building control authority shall—

(i) consider whether the application is in compliance with the requirements of paragraph (2), and

(ii) stamp the documents with the date of receipt.

(b) Where a building control authority consider that a 7 day notice complies with the requirements of paragraph (2), they shall send to the applicant an acknowledgment stating the date of receipt of the notice.

(c) Where a building control authority consider that a 7 day notice does not comply with paragraph (2), they may within 7 days of receipt of the notice, as they consider appropriate having regard to the extent of the failure to comply with the said paragraph, by notice—

(i) inform the applicant that the 7 day notice is invalid and cannot be accepted by the authority, or

(ii) require the applicant to furnish such further or amended plans, calculations, specifications, documents or particulars or such additional fee, as may be necessary to comply with the said paragraph.

(d) For the purposes of subparagraph (c), a building control authority may give or send any notice to the applicant by such of the following means as they consider effective:—

(i) in writing and sent by post or personal delivery;
ii) subject to paragraph (e), by telephone, fax, electronic mail or such other means, whether electronic or otherwise, as may appear appropriate.

(e) Where a building control authority give or send any notice to the applicant in any form other than in writing, the building control authority shall confirm such notice in writing to the applicant within fourteen days.

(4) Articles 15 to 20 shall apply mutatis mutandis as if any reference therein to an application or an application for a fire safety certificate were a reference to an application for a fire safety certificate which accompanied the submission of a 7 day notice under paragraph (2)(b).

Revised Fire Safety Certificate.

20B (1) (a) A revised fire safety certificate shall be required in respect of works—

(i) where the original application for a fire safety certificate was submitted prior to the grant of planning permission, if necessitated by the subsequent grant of such planning permission, for the purpose of ensuring that the revised design arising from the grant of planning permission (including any conditions attached to it) complies with the requirements of Part B of the Second Schedule to the Building Regulations, or

(ii) where significant revision is made to the design or works of a building or an extension of, a material alteration to or a material change of use of a building in respect of which a fire safety certificate has been granted by a building control authority.

(b) Where a revised fire safety certificate is required in respect of all works or buildings, a person shall not carry out such works or make a material change of use as regards such a building—

(i) in the absence of a revised fire safety certificate in respect of the works or building, or

(ii) in contravention of any conditions subject to which the certificate is granted.

(2) An application for a revised fire safety certificate shall be in the form specified for that purpose in the Third Schedule.

(3) An application for a revised fire safety certificate shall be accompanied by—
(a) such revised plans (including a site or layout plan and drawings of floor plans, elevations and sections) (in duplicate) and such other revised calculations, specifications or other particulars as are necessary to—

(i) identify and describe the works or building to which the application relates, and

(ii) enable the building control authority to assess, whether the said works or building would, if constructed in accordance with the said plans, calculations, specifications and other particulars, comply with the requirements of Part B of the Second Schedule to the Building Regulations.

(b) such fee as may from time to time be prescribed for that purpose in Part V.

(4) (a) On receipt of an application for a revised fire safety certificate, a building control authority shall—

(i) stamp the documents with the date of receipt, and

(ii) consider whether the application complies with the requirements of paragraphs (2) and (3).

(b) Where a building control authority consider that an application for a revised fire safety certificate complies with the requirements of paragraphs (2) and (3), they shall send to the applicant an acknowledgement stating the date of receipt of the application.

(c) Where a building control authority consider that an application for a revised fire safety certificate does not comply with paragraphs (2) and (3), they may, as they consider appropriate having regard to the extent of the failure to comply with the said paragraphs, by notice in writing—

(i) inform the applicant that the application is invalid and cannot be considered by the authority, or

(ii) require the applicant to furnish such further plans, calculations, specifications or particulars, or such additional fee, as may be necessary to comply with the said paragraphs.

(d) Where a building control authority serve a notice in accordance with subparagraph (c), they shall return to the applicant all the documents and the fee which accompanied the application.
(5) Articles 15 to 17 shall apply mutatis mutandis as if any reference therein to an application or an application for a fire safety certificate were a reference to an application for a revised fire safety certificate pursuant to paragraph (2).

(6) Where a building control authority decide to grant a revised fire safety certificate with or without conditions, the form specified for that purpose in the Fourth Schedule or a form substantially to the like effect, shall be the form of every such certificate and where the revised fire safety certificate is granted subject to conditions, they shall inform the applicant of the reasons therefor.

(7) Where a building control authority decide to refuse to grant a revised fire safety certificate, they shall notify the applicant in writing of their decision and the reasons therefor.

(8) Where a building control authority grant a revised fire safety certificate with conditions, or refuse to grant a revised fire safety certificate, they shall notify the applicant that he may appeal to the Board against the decision of the building control authority within the period prescribed in Part VI.

Regularisation Certificate.

20C (1) Where works have been commenced or completed in respect of the construction of a building or an extension of or a material alteration to a building without a fire safety certificate as required under article 12(1) or the submission of a 7 day notice under article 20A(1), an application shall be submitted to a building control authority for a regularisation certificate.

(2) (a) An application for a regularisation certificate shall be in the form specified for that purpose in the Third Schedule.

(b) An application for a regularisation certificate shall be accompanied by—

(i) drawings of the relevant works as they have been commenced or constructed, so as to enable the building control authority to assess whether the said works, as commenced or as constructed in accordance with the said drawings, documents and information submitted, will comply or are in compliance, as appropriate, with the requirements of Part B of the Second Schedule to the Building Regulations,

(ii) a statutory declaration from the applicant in the form specified for that purpose in the Third Schedule, and

(iii) such fee as may from time to time be prescribed for that purpose in Part V.
(3) (a) On receipt of an application for a regularisation certificate, a building control authority shall—

(i) stamp the documents with the date of receipt, and

(ii) consider whether the application complies with the requirements of paragraph (2).

(b) Where a building control authority consider that an application for a regularisation certificate complies with the requirements of paragraph (2), they shall send to the applicant an acknowledgement stating the date of receipt of the application.

(c) Where a building control authority consider that an application for a regularisation certificate does not comply with paragraph (2), they may, as they consider appropriate having regard to the extent of the failure to comply with the said article, by notice in writing—

(i) inform the applicant that the application is invalid and cannot be considered by the authority, or

(ii) require the applicant to furnish such further plans, calculations, specifications or particulars, or such additional fee, as may be necessary to comply with the said paragraph.

(d) Where a building control authority serve a notice in accordance with subparagraph (c), they shall return to the applicant all the documents and the fee which accompanied the application.

(4) Where an application is made to a building control authority for a regularisation certificate, the authority, in considering such application, shall

(a) be restricted to considering only the extent to which the works, if commenced or as constructed in accordance with the drawings, documents and information submitted, will comply or are in compliance, as appropriate, with the requirements of Part B of the Second Schedule to the Building Regulations, and

(b) have due regard to any dispensation or relaxation in respect of, or which is relevant to, the works or building to which the application relates.

(5) Where a building control authority, having considered an application for a regularisation certificate, are disposed to granting such
certificate subject to any modification of the plans, documents or information to which the application relates, they may require the applicant to submit to them revised plans, documents or information providing for such modification and may decide to grant a regularisation certificate in respect of such revised plans, documents or information so submitted.

(6) (a) A building control authority shall, having considered an application for a regularisation certificate and following an inspection of the building pursuant to paragraph (b), grant such certificate, with or without conditions or refuse to grant the certificate, as the case may be.

(b) An authorised person shall be entitled to enter at all reasonable times into any land (subject to his producing, if so required, his authority in writing as such person) and thereon enter and inspect, for the purposes of these Regulations, any building and any plans or documents relating to such building.

(c) In this article, an “authorised person” means a person authorised in writing by a building control authority to be an authorised person for the purposes of these Regulations.

(d) Subsections (3) to (7) of the Building Control Act 1990 shall apply mutatis mutandis as if any reference therein to an authorised person was a reference to an authorised person appointed pursuant to this article.

(e) A regularisation certificate granted under this Part shall only be construed as specifying, that in the opinion of the building control authority, the works as constructed in accordance with plans, documents and information submitted, comply with the requirements of Part B of the Second Schedule to the Building Regulations, subject to compliance (within a period of 4 months there mentioned) with any conditions attached to the certificate, including conditions as to the carrying out of additional works.

(7) Where a building control authority decide to grant a regularisation certificate, with or without conditions, the form specified for that purpose in the Fourth Schedule or a form substantially to the like effect, shall be the form of every such certificate and where the regularisation certificate is granted subject to conditions, they shall inform the applicant of the reasons therefor.

(8) Where a building control authority decide to refuse to grant a regularisation certificate, they shall notify the applicant in writing of their decision and the reasons therefor.
(9) Where a building control authority grant a regularisation certificate with conditions, or refuse to grant a regularisation certificate, they shall notify the applicant that he may appeal to the Board against the decision of the building control authority within the period prescribed in Part VI.”.

Insertion of Part IIIIB to the Principal Regulations.

8. The Principal Regulations are amended by inserting the following after article 20C (9) (inserted by Article 7 of these Regulations):

Disability Access Certificate.

20D (1) A certificate of compliance with respect to requirements under Part M of the Second Schedule of the Building Regulations (hereinafter referred to as a ‘disability access certificate’) shall be required in respect of all works or a building to which Part III applies pursuant to paragraphs (a) to (e) of Article 11(1) of these Regulations.

(2) Where a disability access certificate is required in respect of all works or buildings to which this Part applies, a person shall make an application to the building control authority for such certificate and not carry out such works or make a material change of use as regards such a building in contravention of Part M of the Building Regulations or any conditions subject to which the certificate is granted.

(3) (a) An application for a disability access certificate shall be in the form specified for that purpose in the Third Schedule.

(b) An application for a disability access certificate shall be accompanied by—

(i) such plans, (including a site or layout plan) (in duplicate) and such other particulars as are necessary to—

(I) identify and describe the works or building to which the application relates,

(II) enable the building control authority to assess, whether the said works or building would, if constructed in accordance with the said plans and other particulars, comply with the requirements of Part M of the Second Schedule to the Building Regulations,

(III) identify the nature and extent of the proposed use and, where appropriate, of the existing use of the building concerned, and
(ii) such fee as may from time to time be prescribed for that purpose in Part V.

(4) (a) On receipt of an application for a disability access certificate, a building control authority shall—

(i) stamp the documents with the date of receipt, and

(ii) consider whether the application complies with the requirements of paragraph (3).

(b) Where a building control authority consider that an application for a disability access certificate complies with the requirements of paragraph (3), they shall send to the applicant an acknowledgement stating the date of receipt of the application.

(c) Where a building control authority consider that an application for a disability access certificate does not comply with paragraph (3), they may, as they consider appropriate, having regard to the extent of the failure to comply with the said paragraph, by notice in writing—

(i) inform the applicant that the application is invalid and cannot be considered by the authority, or

(ii) require the applicant to furnish such further plans, calculations, specifications or particulars, or such additional fee, as may be necessary to comply with the said article.

(d) Where a building control authority serve a notice in accordance with sub-paragraph (c), they shall return to the applicant all the documents and the fee which accompanied the application.

(5) Where an application is made to a building control authority for a disability access certificate, the authority, in considering such application, shall—

(a) be restricted to considering only the extent to which the design or works complies with the requirements of Part M of the Second Schedule to the Building Regulations, and

(b) have due regard to any dispensation or relaxation in respect of, or which is relevant to, the works or building to which the application relates.

(6) Where a building control authority, having considered an application for a disability access certificate, are disposed to granting such certificate subject to any modification of the plans, calculations, specifications or particulars to which the application relates, they may require the applicant to submit to them revised plans, specifications, or other particulars providing
for such modification and may decide to grant a disability access certificate in respect of such revised plans, specifications or particulars so submitted.

(7) (a) A building control authority shall, having considered an application for a disability access certificate, grant such certificate, with or without conditions or refuse to grant the certificate, as the case may be.

(b) A disability access certificate granted under this Part shall only be construed as certifying that the building or works, if constructed in accordance with the plans, documents and information submitted, would comply with the requirements of Part M of the Second Schedule to the Building Regulations.

(8) Where a building control authority decide to grant a disability access certificate, with or without conditions, the form specified for that purpose in the Fourth Schedule or a form substantially to the like effect, shall be the form of every such certificate and where the disability access certificate is granted subject to conditions, they shall inform the applicant of the reasons therefor.

(9) Where a building control authority decide to refuse to grant a disability access certificate, they shall notify the applicant in writing of their decision and the reasons therefor.

(10) Where a building control authority grant a disability access certificate with conditions, or refuse to grant a disability access certificate, they shall notify the applicant that he may appeal to the Board against the decision of the building control authority within the period prescribed in Part VI.

Revised Disability Access Certificate.

20E (1) A revised disability access certificate shall be required where significant revision is made to the design or works of a building or an extension of, a material alteration to or a material change of use of a building in respect of which a disability access certificate has been granted by a building control authority.

(2) (a) An application for a revised disability access certificate shall be in the form specified for that purpose in the Third Schedule.

(b) An application for a revised disability access certificate shall be accompanied by—

(i) such revised plans, (including a site or layout plan)(in duplicate) and such other revised particulars as are necessary to—

(1) identify and describe the works or building to which the application relates,
(II) enable the building control authority to assess, whether
the said works or building would, if constructed in
accordance with the said plans and other particulars,
comply with the requirements of Part M of the Second
Schedule to the Building Regulations,

(III) identify the nature and extent of the proposed use and,
where appropriate, of the existing use of the building
cconcerned, and

(ii) such fee as may from time to time be prescribed for that pur-
pose in Part V of these Regulations.

(3) (a) On receipt of an application for a revised disability access certifi-
cate, a building control authority shall—

(i) stamp the documents with the date of receipt, and

(ii) consider whether the application complies with the require-
ments of paragraph (2).

(b) Where a building control authority consider that an application
for a revised disability access certificate complies with the
requirements of paragraph (2), they shall send to the applicant
an acknowledgement stating the date of receipt of the application.

(c) Where a building control authority consider that an application
for a revised disability access certificate does not comply with
paragraph (2), they may, as they consider appropriate, having
regard to the extent of the failure to comply with the said para-
graph, by notice in writing—

(i) inform the applicant that the application is invalid and cannot
be considered by the authority, or

(ii) require the applicant to furnish such further plans, calcu-
lations, specifications or particulars, or such additional fee, as
may be necessary to comply with the said article.

(d) Where a building control authority serve a notice in accordance
with subparagraph (c), they shall return to the applicant all the
documents and the fee which accompanied the application.

(4) Articles 20D(5), 20D(6) and 20D(7) shall apply \textit{mutatis mutandis} as
if any reference therein to an application or an application for a disability
access certificate were a reference to an application for a revised disability
access certificate and any reference to a certificate or a disability access
certificate shall be construed accordingly.
(5) Where a building control authority decide to grant a revised disability access certificate with or without conditions, the form specified for that purpose in the Fourth Schedule to the Principal Regulations or a form substantially to the like effect, shall be the form of every such certificate and where the revised disability access certificate is granted subject to conditions, they shall inform the applicant of the reasons therefor.

(6) Where a building control authority decide to refuse to grant a revised disability access certificate, they shall notify the applicant in writing of their decision and the reasons therefor.

(7) Where a building control authority grant a revised disability access certificate with conditions, or refuse to grant a revised disability access certificate, they shall notify the applicant that he may appeal to the Board against the decision of the building control authority within the period prescribed in Part VI.”.

“Where an application for a fire safety certificate, a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice includes alternative proposals for works or a building of materially different designs, the fee payable in respect of the application shall be calculated as if each alternative proposal were a separate application or a separate 7 day notice.”.

Refund of fee in case of certain repeat applications.

15. (1) Article 26(2)(a) of the Principal Regulations is amended by inserting “a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice,” after “fire safety certificate,”.

(2) Article 26(2)(b) of the Principal Regulations is amended by inserting “, a revised fire safety certificate, a regularisation certificate, a disability access certificate or a revised disability access certificate” after “fire safety certificate”.

(3) Article 26(3)(a) of the Principal Regulations is amended by inserting “, revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or the submission of a 7 day notice” after “fire safety certificate”.

(4) Article 26(3)(b) of the Principal Regulations is amended by inserting “, revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice” after “fire safety certificate,”.
(5) Article 26(3)(c) of the Principal Regulations is amended by inserting “revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice,” after “fire safety certificate.”

(6) Article 26(3)(e) of the Principal Regulations is amended by inserting “a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice” after “fire safety certificate”.

(7) Article 26(4) of the Principal Regulations is amended by inserting “revised fire safety certificate, a regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice” after “fire safety certificate”.

Documents, information etc in relation to appeal.

16. Article 30(1)(d) of the Principal Regulations is amended by inserting:

(i) “, section 7(1)(d) or section 7(1)(e)” after “section 7(1)(b)” and

(ii) “or Part M” after “Part B”.

Matters to be considered when determining an appeal.

17. Article 39 of the Principal Regulations is amended by inserting “, section 7(1)(d) or section 7(1)(e)” after “section 7(1)(b)”.

Amendment of Article 39 of the Principal Regulations.

18. Article 39(a) of the Principal Regulations is amended by inserting “or Part M” after “Part B”.

Amendment of Article 42 of the Principal Regulations.

19. The Principal Regulations are amended by substituting the following for Article 42:—

42. Where a building control authority is notified by the Board of its decision to allow an appeal under section 7(1)(b), section 7(1)(d) or section 7(1)(e) of the Act, the authority shall, as soon as may be, issue a fire safety certificate, a revised fire safety certificate, a regularisation certificate, a disability access certificate or a revised disability access certificate, as appropriate, to the appellant in accordance with the decision of the Board.”.

Insertion of Article 43 to the Principal Regulations.

20. The following article is inserted after article 42 of the Principal Regulations (as amended by these Regulations):——
“Prohibition on opening, operation or occupation of buildings.

43. (1) A new building or an existing building in respect of which an extension or a material alteration has been made, shall not be opened, operated or occupied or permitted to be opened, operated or occupied,

(i) unless a fire safety certificate, a disability access certificate (or, as the case may be a revised certificate of either kind) or a regularisation certificate required by these Regulations has been granted by the building control authority in relation to the building, or

(ii) if such appeal is made to it, pending the determination by An Bord Pleanala of an appeal relating to a refusal to grant any of the certificates or revised certificates referred to in clause (i) or the attachment of conditions to any of them.”

43. (2) It is declared that an offence contrary to article 43(1) of these Regulations is an offence to which section 17(2) of the Act applies.”.
Amendment of the Second Schedule to the Principal Regulations.

21. The following is substituted for the Second Schedule to the Principal Regulations:

PART B

MAXIMUM AND MINIMUM FEES

1. The maximum fee payable to a building control authority shall be—

   (a) €3,800 in respect of the submission of a commencement notice,

   (b) €12,500 in respect of an application for a fire safety certificate or a revised fire safety certificate,

   (c) €25,000 in respect of the submission of a 7 day notice,

   (d) €50,000 in respect of an application for a regularisation certificate, and

   (e) €800 in respect of an application for a disability access certificate or a revised disability access certificate.

2. Where a building control authority makes a refund in respect of the submission of a commencement notice or an application for a fire safety certificate or a revised fire safety certificate, the submission of a 7 day notice, a regularisation certificate, a disability access certificate or a revised disability access certificate, the refund shall not be such as to reduce the balance of the fee to less than—

   (a) €30 in the case of a commencement notice, or

   (b) €125 in respect of an application for a fire safety certificate or revised fire safety certificate,

   (c) €250 in respect of the submission of a 7 day notice,

   (d) €500 in respect of a regularisation certificate,

   (e) €800 in respect of a disability access certificate or a revised disability access certificate.”.
GIVEN under the Official Seal of the Minister for the Environment, Heritage and Local Government, this 4th day of September 2009

JOHN GORMLEY, T.D.,
Minister for the Environment, Heritage and Local Government.
EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

The Building Control (Amendment) Regulations prescribe the giving of a 7 day notice in respect of commencement of certain building works; the statutory declaration for such notice; the need to obtain a regularisation certificate (with statutory declaration), a revised fire safety certificate or a disability access certificate/revised disability access certificate in respect of certain works and the fees for such applications.
